RALLY OPEN TO ALL TYPES OF MOTORCYCLES. THE ORGANIZATION DECLINES ALL RESPONSIBILITIES FOR DAMAGE TO PERSONS AND / OR THINGS BEFORE, DURING AND AFTER THE EVENT

Only time decides who is part of the family. This has been the case since 11 December 1994 when it was founded in Bologna the Harley-Davidson Italian Club. Because trust must be won but, once earned, the family it protects. It is not a life for everyone. it is a roar that beats in the head of the engine of the heart, so loud that it cannot be ignored. The 26th International Rally is not just a motorcycle rally but a real party where the brothers from all over Italy they embrace each other. An even more heartfelt encounter if the Ligurian brothers celebrate the 25th anniversary of the H - DEC Liguria.

**You want to be  
part of it  
of the family?  
He is claiming you.  
Don't disappoint her.**
